In consideration of granting this permit, the Applicant, owner and contractor agrees:

- Sewer permit applications are valid for one (1) year from the date of application. Applications not renewed will be voided.
- To accept and abide by all provisions of the East Windsor Sewer Ordinance, Standard Guidelines for Sanitary Sewer Construction and all other pertinent ordinances and regulations that may be adopted in the future.
- To maintain the building sewer at no cost to the Town of East Windsor.
- To arrange and pay for all costs associated with inspection of construction and if required by the Water Pollution Control Authority, testing of the building sewer.
- That all construction must be left uncovered for inspection.
- Facility Connection Charge must be paid before a permit can be issued.**
- User charges commence the month of installation of building sewer to the foundation and/or the date of the Certificate of Occupancy is issued.
- Contractor must complete WPCA Insurance form and Bond form one week prior to start of construction.
- The WPCA requires full time inspection on all Commercial and Industrial projects. These fees must be paid in advance.**
